

Quiz

In this lesson, we'll take a quiz related to the concepts covered in the previous lesson.

1

What is the correct output of the following code?

```
var greeting = "Hello";  
  
greeting = "Farewell";  
  
for (var i = 0; i < 2; i++) {  
  var greeting = "Good morning";  
}  
console.log(greeting);
```

COMPLETED 0%

1 of 4

In the next lesson, we'll cover arrow functions.
