

## Where to from here

Wondering where to go next? Our website is chalk full of other React courses that you can take!

We're glad you've gotten to the end of this course. Thank you for taking the time out and reading it. We hope you've gained some invaluable knowledge about React and feel more confident as a React developer. If you want to further level up your React skills, there are a number of courses on our website that you can consider taking.

Course	Author	What its about
<b>Practical Redux</b>	<b>Mark Erikson</b>	how to use Redux in real-world apps
<b>Understanding Redux: A Beginner's Guide To State Management</b>	<b>Ohans Emmanuel</b>	a gateway into the mechanics of using Redux as an application building platform.
<b>Building Tesla's Battery Range Calculator with React &amp; Redux</b>	<b>Matthew Choi</b>	This course will help you to advance your React and Redux skills by building a battery range calculator

---

And that's a wrap! If you have any feedback, suggestions, or comments, feel free to drop us an email or a comment on our forum!
