Quiz

This lesson covers multiple choice questions related to objects in JavaScript.

4

Choose the correct output:

```
const pen = {
  type: "ballpoint",
  color: "blue",
  brand: "Bic"
};

pen.price = "2.5";

console.log(`My pen costs ${pen.price}`);
```

5

Choose the correct output:

```
const pen = {
  type: "ballpoint",
  color: "blue",
  brand: "Bic",
  price: 3
};

pen.price = 4;

console.log(`My pen costs ${pen.price}`);
```
