# Final Thoughts

Give yourself a PAT ON THE BACK for having made it successfully to the end. **Many congratulations** on completing all the lessons.

Before saying goodbye, here are two things that I really want you to remember as you continue on your journey as a Data Scientist:

*"The path to becoming a great Data Scientist is not a sprint, but a marathon."*

*"Don't' be a know-it all; be a learn-it-all."*

P.S. I hope you enjoyed this course. Let me know how it went. I'll wait to hear back from you. Best of luck with the next steps in your journey to becoming a great Data Scientist!
